that with this dua, it will be more effective if some recitation of Allah's ﷻ Kalaam (i.e. the Holy Quran) is also made so that there is more hope in the acceptance of the supplication and the reward of this recitation may also be conveyed. This will be the completion of two acts of worship (Jama baani-baadatan)." - ibid

Haajj Imdaadullah Sahib ﷻ also writes, "The Gyarwee of Huzoor Ghous-e-Paak ﷻ, Fatha on the 10 days, 20 days, 40 days, 6 months, 1 year, etc, the Taushe of Shaikh Abdul-Haqq ﷻ, the Sehmani of Hadrat Bu Ali Shah Qalandar ﷻ, the Halea of Shab-e-Baraat (the 15th of Shabaan) and all other methods and practices of Isal-e-Thawaab are based on this rule." -ibid

These writings of the Peer Sahib have conclusively decided the matter. Alhamdulillah, Fatha has been proven through both transmitted and rational proofs, as well as from the writings of the opposition.

OBJECTIONS & ANSWERS TO FATIHA

OBJECTION 1

Many Jurists have prohibited the preparing of food for the deceased on the 3rd and 7th day. Refer to Shaami and Alamghiri. Even Bazzaziya has said, "Cooking food is not allowed after even a week." ¹⁰²

Fatha after a year (Bersi) or 40 days (Chaliwa), etc. all fall under this. Qaadhi Thanauilah Paani Patli ﷻ writes in his will, "Also, the Holy Prophet ﷺ has said, "Food for the deceased makes the heart become lifeless," etc.

Answer - The Jurists have not prohibited Isal-e-Thawaab for the deceased. What they have prohibited is something entirely different - family and friends taking food on the name of the deceased (for them to be saved from the taunts of people, the Teeja, Dasia, etc. for the deceased is made by mass-invitation of family and friends for name and fame to partake in the food). This is not permissible because it was done for popularity, while the time following a death is not for the purpose of show. The poor and needy being fed after making the Fatha of Isal-e-Thawaab is allowed by all. Allama Shaami ﷻ states, "To accept an invitation from the bereaved is Makrooh because inviting for food takes place on happy occasions, not on instances of grief" - Raddul-Muttaq, Vol. 1, Kitaabul-Janaaz, Baabud-Deaf

"To accept an invitation" refers to the family and friends preparing
